Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	The extension will cover nearly the entire outside space of the property, giving no communal space for the 6 people living there. Parking for vehicles is already difficult without adding another 6+ cars and work vans. No additional space for extras bins recycling food waste etc, if there are no cars where will bicycles etc be stored? Lack of communal indoor space other than for cooking.

Kind regards
