Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	I would like to support this application. Paul is a young family man living in the village providing a great service with small classes relocating to this unit is great being within walking distance for many of his clients from the village and with convenient parking beside the unit for others. It is great to be able to support a young local PT trainer with great enthusiasm and talent for inspiring and supporting his varied clients.

Kind regards
