Reasons for comment:	- Other - Trees and Landscaping
Comments:	Our property Mulberry is shown on the the applicants plan, our driveway is directly opposite the 2 oaks in question and also we have some plants and shrubs opposite the driveway and immediately on the otherside of the fencing for Chancton Lea. I have taken time to plant and develop these and wish to emphasise the need for care during surgery such that limbs do no drop down inadvertently and damage the plants and shrubs on the other side of the fence.

We also assume that all work will be done from within the Chancton Lea property boundary since Hazelwood Close is a private road for resident access only.

Kind regards
