Comments:	I am responding on behalf of the Lower Beeding Parish Council while the parish clerk is on vacation. Lower Beeding Parish Council considered this application on 26 May 2026 on the understanding that the key point being reconsulted on was out-of-hours access to lot 8. The parish council voted to support the out-of-hours access proposals on the basis that the conditions being proposed to control this access provide more protection to neighbours and local residents than the current (unrestricted) consent for lot 8. In addition, local residents including those closest to lot 8 support the application, and there have been no local objections brought to the parish council.

Kind regards
