Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	I am writing to OBJECT to yet another development in the road. More green space being taken over for big development, which was not in the neighbourhood plan. Where are the fields for our animals and wildlife? The small village is now so busy with the addition of the latest development is just ridiculous... another 24 houses... 48 cars...

acres lost, deer, sheep, cows, horses, insects, birds... more and more of their homes lost.

Kind regards
