Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	The red boundary on the document submitted as part of this planning request isnt quite correct as part of the area within the boundary regarding the pond and entrance belongs to Magpies. We have the Land Registry title plan WSX359344 which shows this. We support the proposed change of use for Random Hall hotel back to residential use.

Kind regards
