Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	I am objecting to this application for the extension [REDACTED] Firstly the property has just had a very large extension, completed in the last 12 months, to the side of the house. This has virtual increased the size of the property by 50 percent. Secondly the proposed extension is approximately 30cm from the boundary of number 46 college road and the protrusion will block out light to the living room which is approximately 90cm from the proposed extension wall. I fail to see why a mature family [REDACTED] require so much development. The property is being over developed and not in keeping with the other properties in this street.

Kind regards
