Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Broadbridge Heath Parish Council has no specific concerns regarding the application. However, it notes that the proposed Juliet balcony on the front elevation represents a departure from the original design intention of the property. Given the location and layout of the property, there are no objections, provided that no material objections are raised by adjacent occupiers

Kind regards
