CONSERVATION AREA NOTIFICATION

ASSESSMENT SHEET

APPLICATION NO: **CA/24/0004: St Marys Cemetery, Denne Road, Horsham.**

REPRESENTATION AND CONSULTATION RESPONSES:
Denne Neighbourhood Council has indicated no objection to this notification.
2x representations have been received in respect of this notification. The representations mainly refer to the information that has been provided to support the notification.

ASSESSMENT:

This Conservation Area notification refers to a large schedule of works to trees within St Marys Cemetery, in the areas indicated on the map that support this notification. The proposed works have arisen following a full safety survey of the areas carried out by Horsham District Council, to fulfil the obligations of the Council to ensure that the trees under their ownership are maintained to a safe and reasonable standard; in respect of the 1957 and 1984 Occupiers' Liability Acts.

As such, It is considered that the proposed works are reasonable and justified, although it is accepted that due to the nature of the works and the removal of trees within the Conservation area there will be some localised impact upon the to the character and amenities of the locality. While at the same time it is considered that due to the extent of the mature tree coverage at the site the overall impact will be modest.

Accordingly, it is not considered necessary or appropriate to protect any of the trees the subject of this Conservation Area notification with a tree preservation order (TPO) to prevent the works from being completed as proposed.

RECOMMENDATION:
No objection to notification.
