Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design
Comments:	As this is a linked detached property we are concerned that the conversation of the garage into a room will alter the aesthetics of both properties, and not be in character with the houses in Thistle Way / surrounding area. Please see application DC/18/1389 (a slight fence reposition) which was refused because of "the effect of the development on the character and appearance of the area".

Kind regards
