Subject: DC/26/0482 - 2 Rose Cottages, Friday Street, Rusper

Hi Halima,

The Trees team were consulted on the above application for the demolition of existing outbuildings and erection of a double garage with room above.

I can confirm that the nearest significant trees of landscape merit are the oaks on the rear boundary with the adjacent field to the South. These trees will not foreseeably be directly or indirectly impacted upon by the proposed works and/or associated process.

The roadside hedgerow may be cut back/managed at a lower height to afford greater space/light to the building and maintain clearance to proposed staircase without undue impact on its future health.

Regards

Andy
