Hi Halima,

The Trees team were consulted on the above application for the erection of a single storey side extension.

I can confirm that whilst the residential property is situated within the Vale Wood Ancient Woodland (subject of Tree Preservation Order no. 0733), the extent of existing curtilage and hardstanding within it means that the proposal has no foreseeable direct or indirect impacts upon the trees within the woodland. I therefore raise no arboricultural concerns in this respect.

Regards

Andy
