Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	The road is way too small for all these hundreds of houses plus extra traffic in the surrounding areas is unacceptable. We will need schools doctors more buses but are the building company going to pay for them?

We have already had hundreds of extra houses and the countryside is being lost forever. I strongly object to more building in this tiny village why don't you do it on brownfield sites or on unused land in towns with more amenities

Kind regards
