Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	I have put neighbour as I live in the village. I am objecting because the building proposals will incur overdevelopment of a small, peaceful rural community, which has not got the infrastructure to support this development.

I am concerned with the significant increase in pollution caused by more traffic through the village.

Kind regards
