Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	You should not be building any more houses here there are already hundreds of new houses, the effect on the environment, drainage, wildlife is criminal.

In an area of natural beauty on the edge of the South Downs the proposal to build hundreds more houses without adding anything to the local services is despicable.
It's all about money but you should be building in towns and not in the countryside. I strongly object.

Kind regards
