Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	Generally dont support the development, there is no way the roads in and out can support the level of housing planned, also this is just going to be a way in to further development in the areas owned by Bellway that are not shown in this phase of development. Yes something needs to be done with the site... less

housing more outdoor activitie areas and things for younger people and adults to enjoy and use. There needs to be a bike track/ pump track, skate park for the older kids, decent County Park style area like Southwater with big playpark.

Kind regards
