Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	I wish to object in the strongest terms to this planning application. This was not identified as a site suitable for development on our parish local plan. What is the point of having such a plan if it is to be ignored? In particular, I object for the following reasons:

- access: Barns Green is accessed by a series of small rural lanes, most of which are prone to flood during heavy rain. The increase in traffic which will result from this housing development

Kind regards
