Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	Thakeham Road is already a very dangerous road with cars and lorries so I feel any further traffic would further endanger road users and pedestrians i.e dog walkers. The area has already seen major housing development and loss of green space and the area

just doesn't have the resources to support any further families with jobs medical and schools

Kind regards
