Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise
Comments:	The bedroom at the back of Cosynook will not have any privacy. The fact there will be lights on shining in will be disruptive. Any noise will be disturbing especially late and night or early in the morning. Won't have any privacy in the garden. Just feel like there won't be any privacy whether it's inside or outside.

Kind regards
