Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	Rudgwick Preservation Society has grave doubts about the making of a pop up site here, given the history and the circumstances. 1. Following the refusal of a permanent site, it would be bizarre to allow a temporary or limited application such as this. 2. There is a shortage of available information. How many pitches are proposed? 3. It involves some permanent structure to facilitate the site, thus needing full permission. 4. We understand there has been advertising without approval of the site. The intent is duplicitous. 5. The period asked for is 5 months yet the application asks for 60 consecutive days - a recipe for exceeding the time if granted.

Kind regards
