Horsham District Council

Mr Henry Wagstaff
Wilbury Planning Ltd
61-63 No.5
Wilbury Road
Hove
BN3 3PB

Land Adjacent To Raydon Lordings Lane West Chiltington RH20 2QU
Erection of 1no two-storey dwelling with hard and soft landscaping and parking provision.

Your application DC/21/2875 has now been determined and I enclose the decision notice. The decision notice contains important information. Please take a moment to read it as further action may be required.

Conditions
Before you start work, information must be submitted for any conditions that require discharge before development can begin. The decision notice will set out what information need to be sent.

Failure to discharge conditions before commencing development could result in the development being unlawful or enforcement action being taken. You can notify us of your intention to initiate development by completing a pre-commencement notification which will help us to monitor your development. There is no fee to use this service. To do this, or for further information about discharging planning conditions, visit us online at horsham.gov.uk/planning/discharging-a-planning-condition

Community Infrastructure Levy (CIL)
If this development is CIL liable, the requirements of CIL must be met before you start work. Failure to do so could result in additional financial penalties. For further information relating to CIL visit horsham.gov.uk/planning/planning-policy/community-infrastructure-levy/cil-charges-and-how-to-pay

If you have any questions about the decision notice, you can call us and speak to a member of the team on 01403 215187 between 9AM - 5PM, Monday to Friday.

If you are acting as the planning agent for this application, please ensure that the applicant is given a copy of the decision notice and this letter.

Yours Sincerely,
Development Management

Horsham District Council

Application Number: DC/21/2875

TOWN AND COUNTRY PLANNING ACT, 1990 (as amended)
TOWN AND COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr & Mrs Rice

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby notify you that they PERMIT the following development, that is to say:

Erection of 1no two-storey dwelling with hard and soft landscaping and parking provision.

Land Adjacent To Raydon Lordings Lane West Chiltington RH20 2QU

to be carried out in accordance with Application No. DC/21/2875 submitted to the Council on 30/12/2021 and subject to compliance with the plans/documents and conditions specified hereunder.

Emma Parkes
Head of Development and Building Control
Date: 23/01/2024

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

SCHEDULE OF PLANS/DOCUMENTS

Plan Type	Description	Drawing Number	Received Date
Supporting Statement		MATERIALS	29.07.2022
Supporting Statement		AEG03 19_RH10	29.06.2022
Design & Access Statement	Planning	NONE	30.12.2021
Supporting Statement	Arboricultural Impact Assessment and Method Statement	NONE	30.12.2021
Supporting Statement	Water Neutrality Statement and Surface Water Drainage Strategy	NONE	30.12.2021

Location plan		01	30.12.2021
Block plan		02	30.12.2021
Elevation & Floor plan		D1905.1D	30.12.2021
Elevation plan	Section	D1905.2D	30.12.2021
Site plan		D1905.3F	30.12.2021
Section plan	Existing	D1905.5A	30.12.2021
Tree plan		1.01	30.12.2021

Reason: For the avoidance of doubt and in the interest of proper planning.

2 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Pre-Occupation Condition**: The development hereby permitted shall be undertaken in full accordance with the Water Neutrality Strategy (prepared by 'aegaea' Reference: AEG03 19_RH10_Poundhill_07_WNS. Dated 24 June 2022, received by the Council on 29 June 2022). No dwelling hereby permitted shall be first occupied until evidence has been submitted to and been approved in writing by the Local Planning Authority that the approved water neutrality strategy for that dwelling has been implemented in full (including any offsetting / retrofitting measures in relation to the existing property at 16 Riverside, Codmore Hill, Pulborough). The evidence shall include the specification of fittings and appliances used, evidence of their installation, and completion of the as built Part G water calculator or equivalent. The installed measures shall be retained as such thereafter.

Reason: To ensure the development is water neutral to avoid an adverse impact on the Arun Valley SACSPA and Ramsar sites in accordance with Policy 31 of the Horsham District Planning Framework (2015), Paragraphs 179 and 180 of the National Planning Policy Framework (2021), and to enable the Local Planning Authority to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority Habitats & Species).

4 **Pre-Occupation Condition**: Prior to the first occupation of any part of the development hereby permitted, full details of all hard and soft landscaping works shall have been submitted to and approved, in writing, by the Local Planning Authority. The details shall include plans and measures addressing the following:

- Details of all existing trees and planting to be retained
- Details of all proposed trees and planting, including schedules specifying species, planting size, densities and plant numbers and tree pit details
- Details of all hard-surfacing materials and finishes
- Details of all boundary treatments
- Details of all external lighting

The approved landscaping scheme shall be fully implemented in accordance with the approved details within the first planting season following the first occupation of any part of the development. Unless otherwise agreed as part of the approved landscaping, no trees or hedges on the site shall be wilfully damaged or uprooted, felled/removed, topped or lopped without the previous written consent of the Local Planning Authority until 5 years after completion of the development. Any proposed planting, which within a period of 5 years, dies, is removed, or becomes seriously damaged or diseased shall be replaced in the next planting

season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reason: To ensure a satisfactory development that is sympathetic to the landscape and townscape character and built form of the surroundings, and in the interests of visual amenity in accordance with Policy 33 of the Horsham District Planning Framework (2015).

5 **Pre-Occupation Condition**: Prior to the first occupation of the development hereby permitted, a plan showing the layout of the proposed development and the provision of car parking spaces for vehicles shall have been submitted to and approved in writing by the Local Planning Authority. The dwelling hereby permitted shall not be occupied until the parking spaces associated with it have been provided in accordance with the approved details. The areas of land so provided shall thereafter be retained for the parking of vehicles.

Reason: To ensure that adequate and satisfactory provision is made for the parking of vehicles clear of all highways in accordance with Policy 40 of the Horsham District Planning Framework (2015)

6 **Pre-Occupation Condition**: Prior to the first occupation of the development hereby permitted, details of secure and covered cycle parking facilities for the occupants of, and visitors to, the development shall have been submitted to and approved in writing by the Local Planning Authority. The dwelling hereby permitted shall not be occupied until the approved cycle parking facilities associated with that dwelling or use have been fully implemented and made available for use. The provision for cycle parking shall thereafter be retained for use at all times.

Reason: To ensure that there is adequate provision for the parking of cycles in accordance with Policy 40 of the Horsham District Planning Framework (2015).

7 **Pre-Occupation Condition**: The dwelling shall not be first occupied until the electric vehicle charging space(s) have been provided in accordance with plans and details to be submitted to and approved by the Local Planning Authority.

Reason: To provide sustainable travel options in accordance with Policies 35 and 41 of the Horsham District Planning Framework (2015).

8 **Pre-Occupation Condition**: No part of the development hereby permitted shall be occupied until the necessary in-building physical infrastructure and external site-wide infrastructure to enable superfast broadband speeds of 30 megabits per second through full fibre broadband connection has been provided to the premises.

Reason: To ensure a sustainable development that meets the needs of future occupiers in accordance with Policy 37 of the Horsham District Planning Framework (2015).

9 **Regulatory Condition**: The rain water tanks shall be installed under the supervision of the projects arboriculturists and at the initial stages of the development. Any excavations within the Root Protection Areas should be undertaken carefully, using hand-held tools. If any roots are exposed during the work, they should immediately be wrapped or covered to prevent desiccation and protect them from rapid temperature changes. Any wrapping should be removed before backfilling, which should take place as soon as possible. Before backfilling, any retained roots should be surrounded with topsoil or uncompacted sharp sand (builders' sand should not be used because of its high salt content, which is toxic to tree roots), or other loose inert granular fill, before the soil or another suitable material is replaced. This material should be free of contaminants and other foreign objects potentially injurious to tree roots.

Reason: To ensure a satisfactory development that is sympathetic to the trees of the surroundings, and in the interests of visual amenity in accordance with Policy 33 of the Horsham District Planning Framework (2015).

10 **Regulatory Condition**: No works for the implementation of the development hereby approved shall take place outside of 08:00 hours to 18:00 hours Mondays to Fridays and 08:00 hours to 13:00 hours on Saturdays nor at any time on Sundays, Bank or Public Holidays.

Reason: To safeguard the amenities of neighbouring occupiers in accordance with Policy 33 of the Horsham District Planning Framework (2015).

11 **Regulatory Condition**: Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (and/or any Order revoking and/or re-enacting that Order no development falling within Classes A, AA, B, C and E of Part 1 of Schedule 2 (amend classes and schedule as necessary) of the order shall be erected, constructed or placed within the curtilage(s) of the development hereby permitted without express planning consent from the Local Planning Authority first being obtained.

Reason: In the interests of amenity and to ensure an appropriate degree of outdoor private amenity space is maintained to serve the dwelling in accordance with Policy 33 of the Horsham District Planning Framework (2015).

Note to Applicant
WSCC Public Rights of Way Advisory:
Safe and convenient public access is to be available at all times across the full width of the PROW, which may be wider than the available and used route - advice on the legal width can be provided by the WSCC PROW Team. The path is not to be obstructed by vehicles, plant, scaffolding or the temporary storage of materials and / or chemicals during any works. These will constitute an offence of obstruction under the Highways Act 1980.

No new structures, such as gates and stiles, are to be installed within the width of the PROW without the prior consent of the WSCC PROW Team. These will constitute an offence of obstruction under the Highways Act 1980.

The applicant is advised that a public access right has precedence over a private access right. Where a PROW runs along a route also used for private access purposes, usually for private vehicle access, this shared use has the potential for accident or injury - the applicant must consider how access is managed so the public is not endangered or inconvenienced.

It is an offence to damage the surface of a PROW without the prior consent of the WSCC PROW Team. The applicant must supply a specification and secure the approval of the WSCC PROW Team before works affecting the PROW begin, even if the surface is to be improved. Where a PROW surface is damaged and there was no prior consent, the applicant will be liable and required to make good the surface to a standard satisfactory to the WSCC PROW Team. Any damage caused as a consequence of site access / deliveries of material to site must be made good.

Note to Applicant
Southern Water Advisory:
Please see the attached extract from Southern Water records showing the approximate position of water distribution mains in the immediate vicinity of the development site. The exact position of the public assets must be determined on site by the applicant in consultation with Southern Water, before

the layout of the proposed development is finalised.
- The 8 inches water distribution mains require a clearance of 6 metres on either side of the water distribution mains to protect it from construction works and to allow for future access for maintenance.
- No excavation, mounding or tree planting should be carried out within 6 metres of the external edge of the public water distribution mains without consent from Southern Water.
- No new soakaways, swales, ponds, watercourses or any other surface water retaining or conveying features should be located within 5 metres of a public water distribution mains.
- All existing infrastructure, including protective coatings and cathodic protection, should be protected during the course of construction works.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

Southern Water requires a formal application for a connection to the public foul sewer to be made by the applicant or developer. To make an application visit Southern Water's Get Connected service: developerservices.southernwater.co.uk and please read our New Connections Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

The submitted site plan shows that overflow from rainwater harvesting is getting connected to soakaways. However, as per the submitted strategy it shows that onsite surface water is getting connected to combined system.

Our initial investigations indicate that there is no combined system, please note that the surface water should not mix with the foul sewer, there are dedicated foul and surface water sewer system in the vicinity of the site. Southern Water would prefer that onsite foul and surface water discharges to the dedicated public sewer system. No surface water should be permitted to be discharged to the foul sewerage system, in order to protect properties downstream from flooding.

No overflows from infiltration facilities will be allowed to communicate with public sewers. The design of drainage should ensure that no land drainage or groundwater is to enter public sewers network.

We request that should this planning application receive planning approval, the following informative is attached to the consent: Construction of the development shall not commence until details of the proposed means of foul sewerage and surface water disposal have been submitted to, and approved in writing by, the Local Planning Authority in consultation with Southern Water.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).

Website: southernwater.co.uk or by email at: SouthernWaterPlanning@southernwater.co.uk

Note to Applicant – Community Infrastructure Levy (CIL):
Horsham District Council has adopted a Community Infrastructure Levy (CIL) Charging Schedule which took effect on 1st October 2017. **This development constitutes CIL liable development**.

If you have not received a Liability Notice from the Council within 1 month of the decision date please contact the CIL Team at cil@horsham.gov.uk

CIL is a mandatory financial charge on development. To avoid additional financial penalties, the requirements of CIL must be managed before development is commenced (including in the event of any successful appeal).

Payment must be made in accordance with the requirements of the CIL Demand Notice issued.

Note to Applicant
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations, or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
