Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	Horsham Town Council Planning Committee considered the application and resolved to support it. The Committee commented that the design of the hotel

should be in keeping with the surrounding area and encourages the design to be revisited based on public feeling and close proximity to a Grade II Listed Building. The Committee strongly encourages the District Council planning officer to seek a design more in keeping with its prime location. There is also an opportunity to address access and road conditions around the existing site.
