Application Number: DC/24/0954

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr Nick Hoyle

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby **REFUSE** to permit the works specified hereunder, that is to say:

Erection of detached front outbuilding, porch canopy and minor landscaping to existing property entrance.

Cooings London Road Ashington West Sussex

as shown on Plan and Application Number DC/24/0954 submitted to the Council on 24/06/2024. The reasons for the Council's decision to refuse to permit the above works are specified hereunder.

1 The proposed outbuilding, by reason of its scale and siting, would represent an inappropriate addition positioned forward of the building line, which would result in a loss of openness and would appear visually prominent. The proposal would be out of keeping with the character and appearance of the street scene, and would therefore detract from the visual amenities of the locality and would be contrary to Policy 32 and 33 of the Horsham District Planning Framework (2015).

ADDITIONAL INFORMATION

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application. Other types of application have different timescales. In particular, if an enforcement notice is/has been served for the same (or very similar) land and development, appeals should usually be lodged within 28 days. Only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
