

WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Horsham District Council FAO: Hannah Darley
FROM:	WSSC – Highways Authority
DATE:	2 April 2026
LOCATION:	Clarence House High Street Henfield
SUBJECT:	DC/26/0320 Change of Use from a tattoo parlour to Class E.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	Advice

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

This application is for the change of Use from a tattoo parlour to Class E. The site is located on High Street, an A-classified road subject to a speed limit of 30mph.

The existing site does not appear to benefit from an existing vehicular access or off-street parking provision and no alterations to this arrangement are proposed. The site is located within the centre of Henfield, within proximity to other local shops, services and public transport options. A public car park is located adjacent to the site for customer use, as per the existing arrangement. The LHA would not raise any highways safety or capacity concerns to the proposal.

Conclusion

The LHA does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (paragraph 116), and that there are no transport grounds to resist the proposal.
