

Horsham Denne Neighbourhood Council

CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	8 Wimblehurst Road, Horsham
PROPOSAL:	Fell 1 x Beech, Surgery to 1 x Oak, and 1 x Horse Chestnut. (Works to Trees in a Conservation Area).
REFERENCE:	CA/25/0146
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection - see main comments.	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The trees have become too large for the area they occupy. The Oak tree will benefit from a 2.5m height reduction and any rubbing or dead wood can be removed. The Beech tree is a smaller specimen tree which has a raised root plate structure. This will eventually weaken the base area of the tree, causing it to fail and become a potential hazard. The Horse Chestnut tree has been reduced on a previous occasion and has regrown at least 3m in height. All of the new growth can be reduced to the old cuts, and any rubbing or crossing branches removed and pruned to a suitable healthy union join. Therefore, HDNC has no objection to this application.	
ANY RECOMMENDED CONDITIONS: See main comments
