Information being requested – Please answer the following questions as fully as you can. Any information you can provide is important. Thank you.

1. Do you know the site and if so from about what date and how?
e.g. because you are a neighbour or have been there or seen activity etc.

I do know the site. I have known about this property from when it was built in 1999. The property sits at the end of my garden.

2. Do you know who operates from the site or lives there? If so who?

No I do not. I have only learnt that the property owner / habitant is Mr Simon Brown from receipt of this letter this morning.

3. Are you aware of the Activity described above and if so from when.
How would you describe what goes on or what is there?
What do you know of the use or development that exists and how do you know? Does it affect you in any way i.e. noise, traffic, views?

I was not aware that an extension had been built.
As far as I am aware, the house is purely residential. I am unaware if any business operates from the property.

P.T.O.

We hear no more noise from this property than you would expect from a property that ajoins your land.

4.	Would you like to tell the Council anything else that you think the Council ought to be aware of at the Site?	No.
