Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise
Comments:	As a very close neighbour we strongly object to the proposal to extend the café's opening hours. This presents a serious risk to the fragile natural and social environment in this very rural area. We have already experienced significant disruption, light and sound pollution from the cafe and 'party' hosting held at this facility. Furthermore there is considerable lobbying taking place by the owners which is against the needs and wishes of local residents. Supporters are not local. The hours are not necessary for a cafe and the claimed support from council or MP has allegedly offered without any consultation of the local tax paying population.

Kind regards
