Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other
Comments:	Object as the development blocks the current free and easy public access and right of way directly from Arun Way up to the Entrance to Horsham Hill field and along the side of Muggeridge Field. The current drawn lines indicate this access would be blocked by development and thus must be opposed on the grounds of removing a public right of way. This path is in full and constant

use and has been for decades. This prevents the reasonable right of access to publicly owned land and will have a detrimental effect on the well being of the community.

Kind regards
