Dear Mr Dragonetti

**THE TOWN AND COUNTRY (DEVELOPMENT MANAGEMENT PROCEDURE)(ENGLAND)
ORDER 2015**

NOTIFICATION OF FINAL DISPOSAL OF PLANNING APPLICATION

Change of use from agricultural to dog walking.

Land Off Northlands Lane Storrington 1 Field Storrington RH20 3EZ

Further to recent correspondence I am writing to advise that your application for planning permission for the above has now been finally disposed of, and removed from Part 1 of the Planning Register.

Should you wish to pursue development at this site at a future date it will be necessary for you to submit a new application for planning permission for consideration which will be considered on its own merits in the light of the prevailing planning policies in operation at the time.

Yours sincerely

Emma Parkes
Head of Development and Building Control
