Comments:	This part of Horsham is a very loved green space, loved by walkers, dog walkers, it is so needed for all our well being and mental health, please no more taking our green spaces. I have walked this route for years, it is so wonderful to escape the busy town and meet like minded people. Horsham is over building and taking all our beloved green spaces. It is devastating for the wildlife and some very important species are in the area. Not

happy if this goes ahead.. please consider the community and not lining someones pocket!!!!

Kind regards
