Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	I strongly object to application DC/26/0954 as it would result in the permanent loss of open countryside and extend built development into an area that contributes to the character and setting of Horsham. The 21 homes, roads and associated infrastructure would urbanise the site and have further impacts through increased traffic, parking pressure and environmental harm. As a resident of Hernbrook Drive, I ask the Council to give significant weight to the loss of countryside and refuse this application.

Kind regards
