Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	Loss of more nature areas! Enough is enough! I've watched this farm area and woodland shrink over the past decade and we need to protect what we have left of it. Also some of the people who use this area are unable to take their dogs, horses and children for walking in other public areas due to overcrowding. I do not agree with the need to build on this land.

Kind regards
