Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	Following on from the recent planning application by Miller Homes, this is only adding insult to injury to the residents of Barns Green. All the reasons which were considered to be of overriding importance which led to the refusal of planning permission for the Miller Homes application are just as relevant here, and should

lead to the same conclusion - no need to reiterate them all again here.

I am aware that both applications may go to appeal. The possibility that both may finally be approved would be a disaster for the character of the village and its amenities, and would definitely constitute overdevelopment. This is all the more reason why this application should be refused

Kind regards
