Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Parish Council objects to this application as it would be contrary to the Slinfold Neighbourhood Plan and Management Statement. Such development is outside the built up area boundary, where development should be restricted, on greenfield land and encroaches on the Strategic Gap which is there to prevent coalescence with Broadbridge Heath. The proposal is too dense for the specific location and could lead to a domino effect, making it harder to refuse future, similar applications.

Kind regards
