Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment
Comments:	Since The Daisycroft was originally built the listed cottages on Henfield Common North have been flooded 3 times in 2014, 2022 and 2023. The common is already unable to cope with the amount of water pouring off the Estate, running down our gardens and the path onto the common. This land on which The Daisycroft was built is higher than the common and used to be fields which provided natural drainage for surface water. That no longer applies. Our homes will soon be unsellable and unusable.

Kind regards
