CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	Sainsbury's car park, Horsham
PROPOSAL:	Fell 1x Alder, 1x Willow, 4x Ash, and Surgery to 1x Ash.
REFERENCE:	DC/26/0642
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection – see main comments.	
MAIN COMMENTS: Horsham Denne NC Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The Ash trees at the back of Sainsbury's are all in a poor state of health. T85 – Reduce crown by 5m and 8m in height. This tree has signs of dieback. I agree that all the other trees to be felled should be felled and all tree wood removed from the site. T31 – This Alder tree, on the edge of Mill Lane, is dead and should be felled as soon as possible as it is near the road. T65 – This Willow tree is dead and should be felled to ground level to make this public space safe. The four Ash trees to be felled have been dead for some time and should be felled to ground level as soon as possible due to their proximity to the public open green space. Therefore, HDNC has no objection to this application.	
ANY RECOMMENDED CONDITIONS: See main comments.
