Reasons for comment:	- Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Horsham is already over populated the town is incredibly busy and I have lived here for 30 years and I notice the huge difference that all the new developments have already brought to the town. DR surgeries are over run and schools are at capacity. This quiet

slow paced village is turning into a town and bringing with it a whole load of other problems.

Kind regards
