Good afternoon

May I please register my objection comments to the above application?

My carefully thought through reasons for refusal are;

- 1). Previously the Planning Inspector drew attention to the existing busy dangerous access road. Another 180 houses will eventually increase traffic on this dangerous road.
- 2). There is no public transport serving Thakeham; thus, all journeys will be by private vehicles, considerably increasing the danger.
- 3). Already inadequate local infrastructure in adjoining Storrington with noise in Thakeham for existing homes, let alone the further 180 already approved. In contravention of NPPF 2024
- 4) I am confident if an appeal were made, it would be refused.
