Hi Nicola,

Thank you for your consultation on application DC/25/0386 - Land Parcel at 507911 125837 Newbridge Road Billingshurst, West Sussex.

We have an existing record of this site under application reference DC/21/1558, and I can see from the application that it relates to prior applications DC/24/1989 and DC/22/0518.

Please could you let me know whether this application will result in a new permission with a new reference, or whether the reference will be the same as one of the previous linked applications.

Once I have received this information I will be able to add to our registers and proceed with the SNOWS process.

Kind regards,

Clare Devine
