

ROOF PLAN
Scale 1:100

Ex Roof Plan

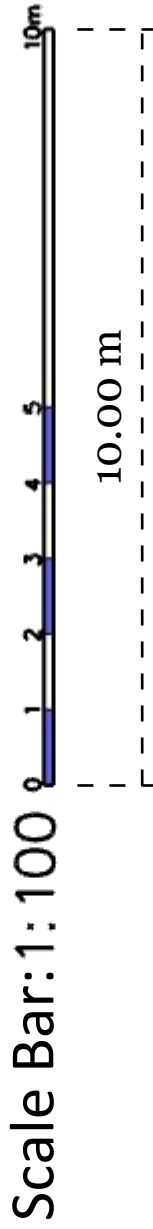

Pp Roof Plan

The fenestration, external materials and detailed design of the architectural elements of the extension are sympathetic to the existing dwelling and does not unduly affect the amenities of the adjoining neighbours.

No side facing windows affect the amities of the residents of adjoining neighbours and the the extension does not adversely affect the outlook from windows in neighbouring dwellings, and does not produce overshadowing or overbearing impact.

NOTES
