Address:	1 castle lodge Broadwater lane Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	My concern is the parking access. At present 2 castle lodge's parking is at the back of the barn that will become a separate property. The only option for 2 castle lodge will be to park in the public lay-by on the road. Our visitors often park here as it is the only extra parking available. Drivers from Sedgwick park also use this extra space to join the road as visibility is poor on that corner. My second concern is by making this a separate dwelling, we will go from having one set of neighbours to two. We chose to move

here as it is a semi detached property. To have another neighbour would cause stress.

Kind regards
