Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	The committee notes the following in light of this application, application DC/23/2241, and enforcement notice EN/24/0216: - no agricultural business taking place - no livestock - no published business plan - mobile home erected several months ago without permission is still on site We urge the planning and enforcement teams to jointly consider

this application, the previous application and the enforcement notice holistically. We also note for your information only that 5 acres of the "Wagtails Farm" plot is sold subject to contract having been placed on the market very recently. We further hope that HDC will consult with its agricultural advisers in assessing the merits of this site.

Kind regards
