Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

- Design
- Highway Access and Parking
- Other
- Privacy Light and Noise

Comments: The applicant is relying on vehicles being able to use a private drive - the owner has refused access for non-agricultural purposes, as highlighted in the deeds for East Wantley Farm.

The latest response from the applicant indicates he does not consider there's a need for any waste management plan.

Photographic evidence of dog poo bags left in front of the gates, highlights this is necessary. It is also an environmental hazard.

Kind regards
