Dear Planning Officer,

I am writing to object to the planning application for a new two-storey house at 35 Churchill Avenue (ref: DC/25/1006). We wish to object to the proposed new dwelling at 35 Churchill Avenue due to its impact on the wider setting. Our home faces toward the area where the construction is proposed, and we are concerned about how this will change the openness of the area, bring additional background noise, and contribute to the gradual erosion of green space and low-density character.

Please consider our concerns when making a decision on this application.

Yours faithfully,
