[illegible]

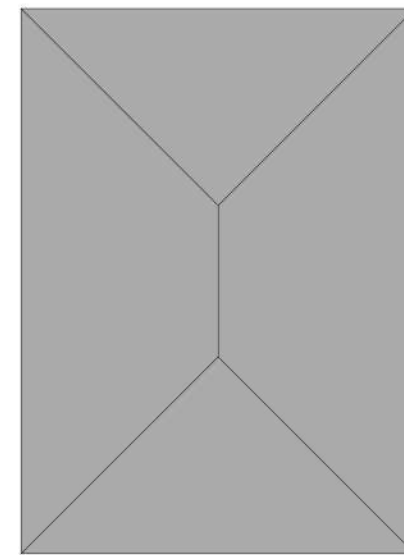

A simple line drawing of a garage. It has a steep, triangular roof with red shingles. The walls are made of light brown horizontal siding. There is a large, closed wooden garage door in the center. The base of the garage is a darker brown color, possibly representing a foundation or lower level of siding. The entire drawing is enclosed in a black rectangular border.

A diagram of a house with a gabled roof, a brick chimney on the left side, and horizontal siding. The roof is brown, the chimney is red brick, and the main walls are light brown with horizontal lines. The base of the house is a darker brown with a brick pattern.

A simple line drawing of a small, single-story house. The house has a gabled roof with a brown, textured surface. The main body of the house is light yellow with horizontal siding. There is a central door with a small window and a window to the right. The base of the house is a darker yellow with a brick-like pattern. The house is set on a black horizontal line representing the ground.

Technical drawing of a door frame. The overall width is 4400. The overall height is 6400. The opening width is 3100. The drawing shows a thick frame with a semi-circular handle on the left side.

GEA = 28 sq.m / GIA = 23.8 sq.m
