Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The Henfield Rd is already a very dangerous Rd with too many cars and large lorries using it and often ignoring the speed limits as despite many requests nothing has been done to calm down the traffic. This development would push the safety of this road to the limit and also push the already overstretched infrastructure .
