Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Regarding the continued planning applications for the site of DC/26/1054 The main concerns from the residence of Friday Street and the local Parish Council is the very dangerous narrow corner right by the proposed dwelling. On the 30th of July I received an Email from BT informing us that due to the busy nature of the road, they will require Traffic management to carry out our Fibre installation. I was not surprised at this. This is a prime example of how busy Friday Street has become.
