Contact details for the activity	Simon Coldwell is named as the contact and operator for the activity
Contact number for the activity	07786981439
Additional contact number for the activity	01480371903

Activity details

Activity type	Obstacle
Dates of the activity	24/08/2026 - Permanent
Address for the activity	Haglands Lane / Nightingales West Chiltonton RH20 2QR
Location of the obstacle	obstacle located at 505644N, 0002723W
Obstacle heights	13 metres Above Ground Level

Obstacle type	Pole
Description of obstacle	13m high pole for smart water meter. Includes an antenna.
Aviation lighting scheme	Our construction is a structure less than 45 meters so no aviation light scheme is needed: The primary legal requirement for aviation warning lights kicks in for permanent structures at ≥ 150 metres above ground level (AGL), while the International Civil Aviation Organization (ICAO) recommends basic lighting for obstacles ≥ 45 metres.
