Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	One of the noted available lay-by, crosses the entrance to our driveway and unless the lay-by is marked to allow safe entrance and exit to our property there are concerns for both access to our property and visibility to leave our property, furthermore when people do park on the lay-by they often park with wheels on the path as the lay-by is not wide enough which will cause restriction to pedestrians especially if they have prams or mobility aids.
Where did you hear about this application?	Word of Mouth
