Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	I am confused that Mr D Bell is applying for Planning Permission yet again! This time for 1 dwelling instead of 2 dwellings. I believe that a Government Official came down from London and said that no way was the road safe to have any access to the plot. The plot is on a bend and where the road narrows. Friday Street is a small and narrow country road and when cars meet in opposite directions they have to slow right down and move over for each other to pass safely. We have lived here for [REDACTED] years and have noticed that the road is much busier. [REDACTED] have to be careful walking along Friday Street as the cars go so fast and often don't give me a lot of room! I wish Friday Street was a 30 mph restriction.
